

# Quarry Ridge Golf Course:

Challenging golf in a must-see setting

be to go for the green and a chance at birdie or eagle. The smart play, however, is a well-placed layup that leaves a full wedge shot and a better chance to leave it close.

The signature hole at Quarry Ridge is the 447-yard 12th hole. It's the longest par-4 on the course, and the most scenic. The hole offers plenty of room to drive the ball, but like most holes at Quarry Ridge, a precise placement usually gives you a better approach to the green.

Owner Michael Milano in recent years has upgraded irrigation and thinned some tree areas for better conditioning and playability. And longer intervals between tee times has quickened the pace of play.

There's also plenty to enjoy off the course. An upgraded grill room offers a pub menu and beverage service along with regular entertainment. The banquet facility can host up to 165 guests for any event.

A golf course that combines spectacular scenery with a challenging layout can be difficult to find, but that's exactly what you'll discover at Quarry Ridge Golf Course in Portland.

You'll quickly become lost in the panoramic hilltop views of the surrounding countryside, with majestic mountains to the southwest and the meandering Connecticut River to the north.

While the scenic vistas demand attention, so does this demanding 18-hole championship layout set

among spectacular granite outcroppings. Tight fairways and testy green complexes require skill and accuracy, especially from the tee box.

With four sets of tees, Quarry Ridge allows players to find the distance that best suits their game. The course requires careful thought on each hole, from club selection to shot placement.

A perfect example is the 310-yard 13th hole. A par-4, the tendency for long hitters would
